This is a no check/no slap shot League. HECC approved ice hockey helmets are mandatory! Most games are played in the "Community Arena" next to the new high school on Sunday nights. Check your schedule! Team jerseys are provided, but are owned by the "Bemidji Hockey League" and must be returned at the end of the season. As a member of this league you are required to referee, run the clock or man the scorebook on the dates you are scheduled or find a replacement for yourself! Without these jobs filled we have no league! Note the above rule! A schedule of games, etc, will be provided on the 1st night and your team captain will contact you prior to the 1st game.
